**The effectiveness of the VLE** and training materials is assessed after finishing the training materials via multiplier event in three different countries in local working environments. Each multiplier event was organized by a different partner and helped to disseminate and evaluate the outputs of the project. Stakeholders, textile teachers and trainers from partner countries, potential Virtual Learning Environment (VLE) and applications users across Europe informed of project results and invited to sustain the platform through 3 multiplier events (3 info days).

National and EU policy - and decision-makers as the main target group, which will benefit from the Vir2TEX manual, were reached, and involved directly with the Multiplier events. Vir2TEX Info Days, Vir2TEX Innovative VR 360 digital presented, learning tools and Interactive distance learning training path (manual) introduced to the participants. Ege University, Universitatea Din Pitesti and ETN School s.r.l. were organized multiplier event with the local participants.
